

THE LOSELEY CHRISTIAN CANCER AND PARKINSON'S DISEASE HELP CENTRE

in association with the
Acorn Christian Healing Trust

We meet in the Chapel and Tithe Barn on the Loseley House lawns on the first and third Tuesdays of each month. All cancer patients and their carers are very welcome, of any denomination or none. The ministry they will receive is Christian - Gods love with our love as His channel. The atmosphere is informal, warm and caring. Church ministers of any denomination, and health care professionals are welcome. Please telephone in advance.

The Chapel in the grounds of Loseley House. Car parking and the Tithe Barn are close by.

The philosophy of the Loseley Help Centre is one of sharing. The firm belief that talking about your suffering and listening to others is helpful in coping with pain and can lead to various forms of healing. The day's programme is centred around the sharing of experiences and successes.

The day starts with music in the Chapel from 12 noon. An optional Eucharist service starts at 12.30 pm including the laying on of hands for any desiring it. If you are attending the Eucharist you are asked to arrive by 12.20 pm.

The rest of the days events take place in the Loseley Tithe Barn which is close by the Chapel. There is a further period of prayer and laying on of hands for those who were unable to be present earlier.

Please telephone 01483 304440 for further information.
