GUIDED GARDEN TOURS 2019

The Walled Garden at Loseley is considered to be one of the loveliest in the South East of England. Garden tours can be arranged for groups who are particularly interested in this aspect of Loseley Park.

The tour will encompass all areas of the 2.5 acre Walled garden, from the mulberry tree, reputedly planted by Queen Elizabeth I, through to the recently developed Organic Vegetable garden. You will gain an insight into the development and management of the Rose, Herb, Flower and Vegetable Gardens and the tour will also take in the Moat Border and Terrace, from where you can view the Wild Flower Meadow.

Tours last about 1 hour and are led by one of our very knowledgeable Garden Guides. If your group's particular interest is the Organic Vegetable Garden, we can arrange for our Gardener-in-Charge to lead your tour, if available.

We suggest you start your visit to Loseley Park with your garden tour allowing your members to wander at their leisure in the Gardens after.

Garden tours cost £3.50 pp plus Garden entry £6.50 pp
